

ABOUT NSBE BIRMINGHAM

The National Society of Black Engineers (NSBE) Birmingham Professionals Chapter is a 501(c) (3) non-profit association dedicated to the academic and professional success of African American engineering and technical students and professionals

Our mission is to increase the number of culturally responsible black engineers, who excel academically, succeed professionally and positively impact the community.

NSBE-Birmingham fulfills this mission by organizing an array of workshops, community activities, scholarship funding, mentoring, and networking events.

We facilitate the development of strong technical professionals and leaders, encourage minority students to eagerly seek out degrees in Science, Technology, Engineering and Mathematics related fields, and empower the community with the knowledge and foresight to strengthen the very foundation that enables our community as a whole to achieve greater heights.

CHAPTER OBJECTIVES:

- Stimulate and develop student interest in the various engineering disciplines.
- Encourage and advise minority youth in their pursuit of an engineering career.
- Strive to increase the number of students studying engineering at the undergraduate and graduate levels.
- Encourage members to seek advanced degrees in engineering or related fields and to obtain/maintain professional engineering registrations.
- Promote public awareness of engineering and the opportunities for blacks and other minorities in that profession.
- Function as a representative body on issues and developments that affect the careers of black engineers.

CHAPTER ANNOUNCEMENTS

Adeola Odutola

Best wishes to Adeola Odutola as he ventures to the Lone Star State. Addie is taking on the role of Electrical Engineer at Burns and McDonnell in Houston, Texas.

We will miss him and his leadership.

Foundry in A Box at NSBE SEEK Camp

Thank you to UAB's School of Engineering (Materials Department) and American Cast Iron & Pipe for sponsoring the **Foundry in A Box** experiment for the NSBE SEEK camp on June 21, 2016. The experiment was run by Ken Murphy (ACIPCO) and Charles Monroe (UAB). Several undergrad students volunteered to ensure that as many SEEK participants as possible could take part. There are lots of great pictures and footage of students at the NSBE SEEK camp available on Facebook. [SEEK BHAM Page](#)

Get Active with NSBE RUN!

It's time to dust off your running shoes and join us for another summer of **NSBE Run**.

Members and guest are invited to run jog or walk with us as a group at an area trail.

Each weekend we will change locations, so if one trail is more convenient for you then feel free participate only on those weeks BUT we hope that everyone will take on the challenge of exercising at each scheduled outing.

Veteran's Park (Hoover)

Lakeshore Trail (Homewood)

Members can get a **NSBE Run T-shirt at the first outing they attend for \$10.**

Contact the Membership / Programs chair prior to the event so that your shirt with the appropriate size is ready for your trek

Week 1 (Aug 6) Veteran's Park
Week 2 (Aug 13) Lakeshore Trail
Week 3 (Aug 20) Veteran's Park
Week 4 (Aug 27) Lakeshore Trail
Week 5 (Sep 3) Veteran's Park
Week 6 (Sept 10) Lakeshore Trail
